# AL010

## Micro Scooter Lift

The Micro Scooter Lift is an economical solution to transport today's smallest 3-wheel "travel" scooters. The ultra-simple hold down foot secures the scooter in place, alleviating the need for difficult straps. Due to its extremely light weight, the AL010 can safely and easily mount to a Class 1 Trailer Hitch.

Manual crank backup

Integral license plate holder

One switch operation

Unique hold-down foot

Class 1 and 2 standard

Platform can be folded when empty

Height adjustable

Requires no scooter modifications

Options:  
Class 1, 2 and 3 hitch adapters and Swing Away option

Harmar Mobility, 2075 47th Street Sarasota Florida 34234
